

## “Feed the Need” Aiken County 2020

This past December, Flo Holford and Debbie Boehner partnered with ACTS to create “Feed the Need” Aiken County 2020. The community united together to donate Advent food boxes for those in need during the Christmas holidays. Food boxes complete with everything necessary to prepare a family Christmas dinner were distributed on Saturday, December 19th.

ACTS is thankful for everyone who supported this important initiative. Generous financial support from The Aiken Horse Park Foundation, Equus Events, LLC and individual donors helped to ensure there

A special thanks goes to the ACTS volunteers, members of the NAACP Youth Council, Aiken Public Safety, Pastor Matt Steelman and members from NewSpring Church, Pastor Eder Herrera from Gloverville Pentecostal Holiness Church and representatives from Second Baptist Church assisted with the distribution to needy families. A special thanks goes to Councilwoman Kay Brohl who attended the Saturday food distribution to provide support to those helping during the event. We celebrate that more than 300 food boxes were provided to individuals and families who would otherwise not have a Christmas dinner to share.

## ACTS Christmas Store

We give our heartfelt thanks to First Presbyterian Church of Aiken for their continued leadership with the ACTS Christmas Store. Volunteers worked to stock the Christmas Store so that clients of ACTS could shop for Christmas gifts for their children. The Kevin & Brittany Kisner Foundation, residents from the Villages of Woodside and members from First Presbyterian provided financial support to ensure

the Store had an ample supply of wonderful toys for all ages of children. Funding from the Kisner Foundation specifically provided a variety of sports equipment and bicycles for all ages. Even with the challenges presented by COVID-19, we served the most families since the inception of the Store six years; 166 children received Christmas joy.
